

East

**Eastern Gate- hold fast and firm
We call forth Water of Air
Intuitive Self -bourne of ancient
wisdom**

We bid you Hail and Welcome

South

**Southern Gate- hold fast and firm
We call forth Water of Fire
The burning away, so that healing may
begin**

We bid you Hail and Welcome

West

**Gates of True Sight and Compassion
Silver crescent of the Moon reflected
in our Being
We bid you open and call forth your
renewing healing energies that all may
become whole. Within your waters we
seek the power of healing release,
sustained by love and empowered by
the clear sight of the seer.
Send forth your gift of Focus of Intent
that we may rise on the planes guided
by the Higher Self, pure of heart
bourne of the Mother's Healing Womb.**

**The Gate of the West is Open
Hail And Welcome**

North

**Northern Gate- hold fast and firm
We call forth Water of Earth
The birthing waters that manifest
strength and renewal**

We bid you Hail and Welcome

**Energies of Air
Circle of infinite knowledge
we thank you for revealing the
Wisdom of the Higher Mind.**

Hail and Farewell

**Energies of Fire,
Path of Will, Change and rebirth-
we thank you for your transformative
healing**

Hail and Farewell

**Energies of Water
Shimmer of star light and depth of
intuition and healing, we thank you
for your restorative flow, healing
embrace and revealing of the
mystery that is our Higher Self.**

Hail and Farewell

**Energies of Earth. foundation of All
we thank you for rebirth made
manifest and new pathways opened
for change, health and growth.**

Hail and Farewell
